

## Terms and Conditions for Upgrade Promotion

Restrictions apply – Not all speeds available in all areas. Members who upgrade to the next fastest speed during the promotion will be billed their current internet package for 3 months. They will then be billed at the current upgraded speed package after the promotional period is over. Members will need to call the Business Office before the promotion is complete, if wanting to go back to the lower speed package.

Offer is available through July 31, 2023.
